

# "Dachshund"

**L**AY YOUR PATTERN ON A BLOCK OF PINE 2" THICK BY 10" BY 5". BE SURE THE GRAIN OF THE WOOD RUNS AS SHOWN. TRACE AROUND THE PATTERN WITH A SOFT PENCIL. MAKE SURE THAT YOUR PENCIL MARKS ARE EASILY SEEN. NOW—SAW OUT THE ROUGH MODEL WITH A COPING SAW.

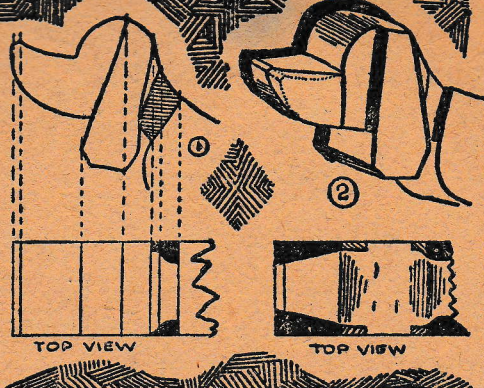

**A**FTER YOU HAVE THE MODEL SAWN OUT, MARK IN A CENTER LINE ALL AROUND THE DOG AS SHOWN IN THE DRAWING AT THE RIGHT.

# The HEAD.

**F**OLLOW THE NUMBERED DRAWINGS IN SHADING THE HEAD.  
**1** CUT OUT THE SHADED PART OF THE NECK. TAKE OUT ENOUGH WOOD ON EITHER SIDE OF THE NECK SO THAT IT WILL BE PRACTICALLY SQUARE.  
**2** CUT BACK  $\frac{1}{8}$ " IN THE FRONT AND BACK OF THE EARS. THIS IS TO MAKE THE EARS STAND OUT. THE NOSE IS  $\frac{3}{4}$ " WIDE AT THE TIP AND TAPERS BACK TO THE HEAD. THE DOTTED LINES ON THE HEAD IN PICTURE **2** SHOWS THE ORIGINAL WIDTH OF THE BLOCK ONLY.

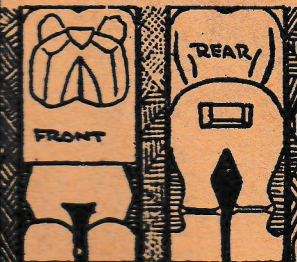

**C**UT OUT THE SHADED PARTS SHOWN HERE. THE EYE IS A DEEP NOTCH CUT DOWN INTO THE HEAD AND CUT OUT. ROUND OFF THE NOSE AS SHOWN IN THE SHADED AREAS.

TAKE YOUR TIME AND DO A NICE JOB.

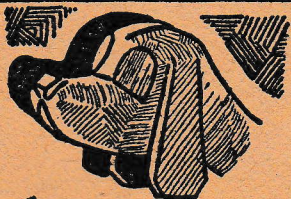

**M**AKE A "V" GROOVE ON THE TOP OF THE HEAD—NOT TOO DEEP. "V" NOTCH OUT THE NOSE. THIS IS DONE BY CUTTING A NOTCH ON EITHER SIDE OF THE NOSE. (SEE DRAWING IN THIS PANEL) COMPLETELY ROUNDING OFF ALL THE HEAD. THE EARS ARE NOT FINISHED OFF UNTIL THE REST OF THE DOG IS COMPLETED. THE MOUTH IS ANOTHER "V" NOTCH.

**S**AW OUT THE DARK AREAS BETWEEN THE LEGS. WHITTLE OFF THE SHADED PORTIONS SHOWN IN THE FRONT AND BACK VIEWS. ROUND OFF THE BELLY AND BACK.

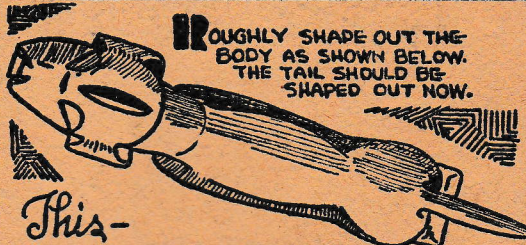

# The BODY

THE EARS ARE COMPLETED AT THIS TIME. CUT OUT THE WASTE FROM BETWEEN THEM—LEAVING THE EARS ABOUT 1/8" THICK. ROUND OFF THE EDGES ALSO.

**AFTER** YOU HAVE COMPLETELY ROUNDED OFF ALL THE PARTS OF THE DOG, SANDPAPER IT TO A SMOOTH ROUNDNESS. WHEN USING THE SANDPAPER, ALWAYS GO WITH THE GRAIN OF THE WOOD. IT MAKES A CLEANER JOB.

HOW ARE YOU DOING, CHUM? I'M NOT AS TOUGH AS I LOOK.

*This—*

IS HOW YOUR DOG SHOULD LOOK AFTER YOU HAVE SHAPED THE BODY AND TAIL ROUGHLY.

THE LEGS AND FEET ARE FINISHED OFF AT THIS POINT. THE TOES ARE "V" CUTS. FOLLOW THE DRAWINGS BELOW. TAKE SMALL CUTS ONLY.

BOY! AM I LUCKY.
